

## Corporate Events

The Newport Sea Base is a prime venue for off-site corporate events. The Yacht Room offers full audio visual capabilities, flat screen television, computer hookups, projector, pull-down screen for presentations, an outdoor balcony and 180 degree view of Newport Harbor. Other rooms are available for smaller groups or for breakout sessions. To top off your event, let our experienced staff help you arrange for an educational pontoon boat ride in Newport Harbor.

## Celebrations

The Newport Sea Base provides a scenic backdrop for celebrations as varied as a ladies' tea to a 50th anniversary to a casual bridal shower with on-the-water scavenger hunt. Use your own caterer or contact one from our preferred caterers list.

## Ceremonies

Awards banquets, courts of honor, Bar or Bat Mitzvahs and other ceremonies become even more memorable when they take place at the scenic Newport Sea Base.

To book your event, contact Diana Knapstein
