

Orange County Council Eagle Scout Board of Review Policy (08/14/2014)

As provided in the Guide to Advancement: “Council Advancement Committees must determine – and make known – method(s) for conducting Eagle Scout Boards of Review: whether the Unit Committees or the Council or District Committees administer them, and also how Board Chairpersons are selected.” Orange County Council has elected to have the Eagle Scout Board of Review (“EBOR”) exclusively in the hands of the District or Council. Nothing in this policy adds to or subtracts from any other part of the EBOR policies as provided in the Guide to Advancement. Any aspects of an EBOR not addressed in this policy should be referenced in the appropriate section of the Guide to Advancement.

The “Guide to Advancement”, requires that a member of the District or Council Advancement Committee shall serve on every EBOR. That person shall serve as the EBOR chair, or, if there is more than one District or Council Advancement Committee member serving on a particular EBOR, they shall decide between themselves which shall be chair.
