

## SECURING OUR FUTURE

*BE A PART OF THE \$25 MILLION ENDOWMENT CAMPAIGN FOR THE 100TH ANNIVERSARY OF THE ORANGE COUNTY COUNCIL, BOY SCOUTS OF AMERICA*

As we prepare to celebrate our centennial in 2020, securing a sustainable funding source through a strong endowment is vital. Your gift to Scouting helps provide the critically needed support to provide leadership training, character development and life-skills educational programs to the nearly 60,000 youth served annually through Cub Scout, Boy Scout, Venture and Exploring programs along with our four premier camping facilities. Expanding outreach, career preparation and STEM programs along with growing our camperships to send more youth-in-need to camp rely upon a growing endowment.

There are also many ways to support now and for the future through gifts of stock and appreciated assets (especially now with the Dow over 24,000!); legacy and estate gifts through your will or trust; and gifts-in-kind for our camps.

Here are just a few of the exciting ways you, your family and business can impact young lives and receive legacy naming opportunities to make our world a better place, “One Scout at a Time!”
